II. Methodology (Brief Discussion)

The implementation of the company's Annual Social Development Program to the host and neighboring communities practiced the community organizing and community development approaches wherein participatory planning workshop was observed together with Community Relations Office, CTWG, BLGU, MLGU,Partner Line Agencies and Beneficiaries and other stakeholders. CRO initiated/established constant networking and linkages to other Line Agencies to sourceout additional resources and technology for the identified programs/projects/activities of SDMP.However, regular monitoring with Technical partners, BLGU, CTWG and other stakeholder was observed to ensure trasparency and efficiency of the implementation.

III. Matrix of the Monitoring Results
